Why Yesfour

YESFOUR INFRA is a new wing of KSQUAR family, your trusted partner in the world of real estate. With our diversified proficiency in the field of construction and real estate, we provide you the most revolutionising yet practical investment solutions to match your utmost satisfaction.

We at YESFOUR, aim at being the most preferred and trusted Construction Service Provider and Maintenance Management Company.

Our Vision is to be well-established all over Tamilnadu by 2027, Neighbouring States by 2030 and all over our country & Neighbouring Countries by 2035.

Our goal is to take up new challenges everyday and succeed in it not only by giving importance to every minute detail but also by sticking to our values and ethics throughout our journey. We strive to demonstrate exceptional professionalism and provide high calibre services in order to achieve our ultimate goal-customer satisfaction

We firmly believe in "Do your job and everything else follows". We follow the 3 H's - Honesty, Hardwork and Happiness and never compromise for anything less.

We are currently working on a proposal for Dream City, Tiruchirapalli-Cavery Riverfront Project which is our way of trying to give back to the society.

We ensure that proper safety and quality standards are maintained and construction requirements are met throughout our projects with an environmental friendly approach. Since employees are the real assets of an organisation we conduct performance management whereby we appraise, train, motivate, review and reward our staffs and make sure to provide them with a comfortable and friendly work environment thereby aligning and achieving individual employee goals along with organisational objectives.

We at Ksuar Company have 30 years of expertise in providing excellent Construction Service and our other business verticals like Kubera Serviced Apartments, Kubera Towers and Sri Renga Inn provide high quality service to our customers. This experience will help us make our new wing Yesfour Infra a very successful one.
